

BALLARAT CRICKET ASSOCIATION CAPTAIN'S/COACHES REPORT ON UMPIRES & GROUND APPRAISAL SEASON 2017/18

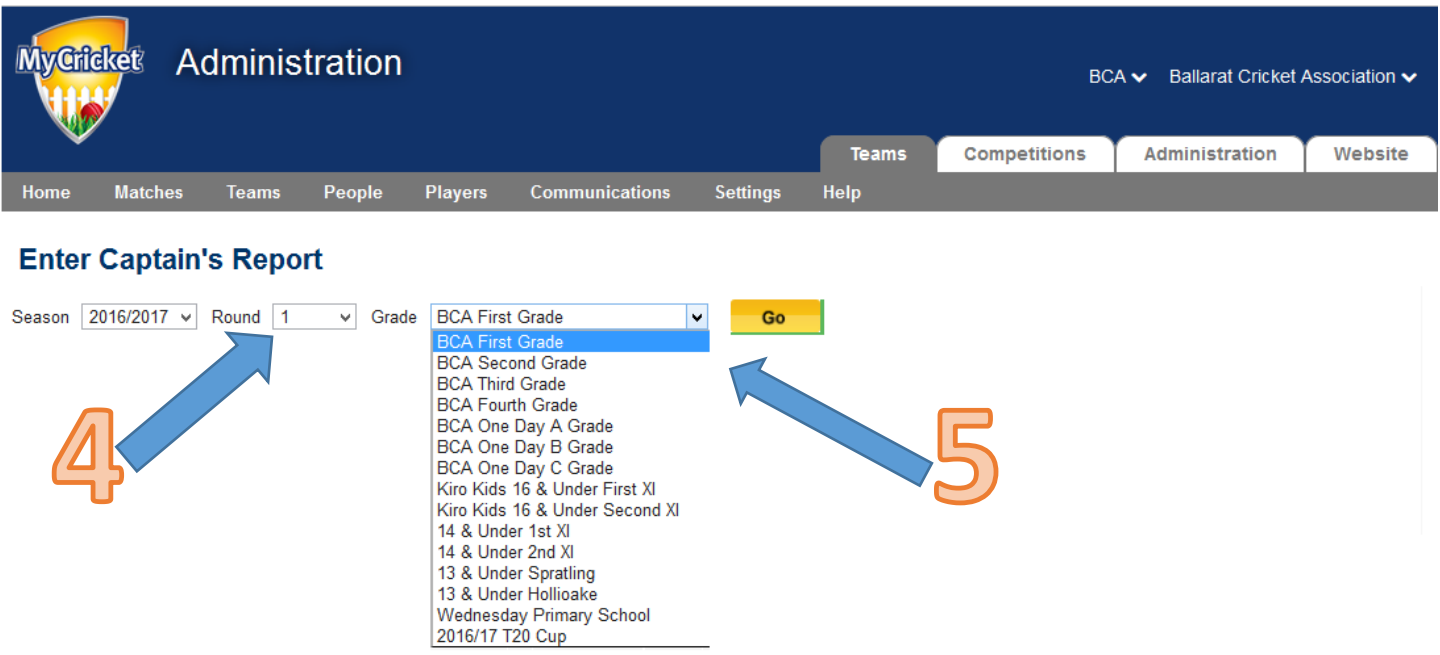

This report should be completed **only** by the nominated Senior Captain or Junior Coach as listed in the match details on MyCricket. This means each Captain or Coach will require their own MyCricket Login with 'Results Manager' access as a minimum. The following pages will guide you through the process.

All Clubs are to ensure that Captain's/Coaches in all grades complete and lodge reports on MyCricket by 3pm on the Monday following the completion of each match where a BCUA Umpire was appointed. If no Umpire has been appointed, the report is not required.

This system has been designed by the BCUA to assist in the development of Umpires officiating in the Ballarat Cricket Association. It will also assist in Umpire selection and feedback requirements. The Ground Assessment element is for Clubs to notify the BCA of any issues that need attention and general feedback for our curators and ground staff.
